2                   (Whereupon, at 6:40 a.m., the call began.)

3                   THE COURT:   Good morning, it is Master Judge Tim  
4   Sullivan.   It is February 5th, 2022 at 6:40 a.m.   I have been  
5   contacted by the United States Park Police for a blood draw  
6   warrant.   This matter is being recorded pursuant to our  
7   protocols.   And you told me this call has been approved by  
8   Assistant U.S. Attorney Weisman.

9                   SERGEANT MANNING:   Yes, sir.

10                  THE COURT:   And are you the affiant?

11                  SERGEANT MANNING:   Yes.

12                  THE COURT:   All right, so can you just give me your  
13   name for the record again.

14                  SERGEANT MANNING:   Yes, my name is Matthew Manning,  
15   and that is spelled M-a-n-n-i-n-g.   I am a Sergeant with the  
16   United States Park Police.

17                  THE COURT:   Let me swear you in.

18                  (Whereupon, Sergeant Matthew Manning was sworn.)

19                  SERGEANT MANNING:   Yes, sir, I do.

20                  THE COURT:   All right.   Could you tell me the name  
21   of the person subject to the warrant including any  
22   identification?

23                  SERGEANT MANNING:   Yes.   So this is from a Maryland  
24   Driver's license.   Last name of Hay.   Spelled H-a-y.   First  
25   Kamel, spelled K-a-m-e-l.   Middle of Donnell, spelled

lnc

1 D-o-n-n-e-l-l. Date of birth of xx/xx of xxxx. He is 5'8",  
2 180 pounds. Maryland Driver's license number H-000-461-149-  
3 xxx.

4 THE COURT: And can you tell me the probable cause  
5 for the warrant, to include date, time and location of the  
6 incident?

7 SERGEANT MANNING: Yes. So at approximately 0441  
8 hours, United States Park Police Baltimore Washington Parkway  
9 station dispatch to the area of Northbound Baltimore  
10 Washington Parkway just south of Interstate 95, 495 otherwise  
11 known as the Capital Beltway for a motor vehicle collision.

12 Units arrived on scene and they observed a Ford  
13 Mustang sedan that was between the wood line on the east side  
14 of the roadway that sustained significant damage throughout  
15 the entire body. In the front passenger seat, they located  
16 an adult male that was deceased. He was crushed into that  
17 portion of the vehicle due to the intrusion of multiple trees  
18 that it struck.

19 They observed a black male, who was later  
20 identified as Kamel Hay standing just west of the vehicle on  
21 the shoulder of the roadway, speaking with a witness that  
22 observed the entire crash. They observed Mr. Hay exit from  
23 the driver seat of the vehicle. That coupled with the  
24 extensive damage showed that he was operating the vehicle at  
25 the time of the incident.

lnc

1 Mr. Hay was transported from the scene to Capital  
2 Regional Medical Center for medical treatment by Prince  
3 George's County Fire Department. Upon arrival at the  
4 hospital, the affiant spoke with Mr. Hay in the trauma ward  
5 at the hospital. Mr. Hay stated that he had been out at Q  
6 Libra, a night club in Washington, D.C., admitted to drinking  
7 "two cups of liquor" but he was unsure of the exact quantity  
8 and the type of liquor.

9 While he was speaking, I could detect a faint odor  
10 of an alcoholic beverage emanating from his breath while he  
11 was laying in the hospital bed. No standardized field  
12 sobriety testing was detected due to his medical condition  
13 and the fact that was mobilized on a stretcher. He says that  
14 he left -- he is unsure of the time he left the nightclub but  
15 he headed to D.C. at 11 p.m., and all of the drinks that he  
16 consumed were at the nightclub.

17 THE COURT: And did he -- did he not agree to take  
18 a blood test?

19 SERGEANT MANNING: I did not ask him for consent  
20 just based on his medical condition and any discrepancies in  
21 trying to say that he would understand or anything. I just  
22 took the warrant route.

23 THE COURT: All right. So, what was his medical  
24 condition?

25 SERGEANT MANNING: So he was -- he had a CAT scan

lnc

1 and they are still waiting for the results of that. The  
2 hospital believes it is relatively minor injuries with all  
3 things considered for the crash.

4 THE COURT: Okay. That is fine. All right,  
5 anything else, Sergeant?

6 SERGEANT MANNING: No, sir.

7 THE COURT: All right, I find there is probable  
8 cause based on the representations of Sergeant Manning.  
9 Probable cause to justify the issuance of the warrant for the  
10 drawing of the blood of Kamel Donnell Hay. And at this time  
11 based on the information communicated to me over the  
12 telephone, my time is 6:45 and I will get a warrant out as  
13 soon as I can.

14 What is your e-mail address?

15 SERGEANT MANNING: Yes. It is Matthew,  
16 M-a-t-t-h-e-w, underscore, Manning, M-a-n-n-i-n-g @NPS,  
17 North, Paul, Sam, .gov.

18 THE COURT: All right Sergeant, I will get this out  
19 to you as quick as I can.

20 SERGEANT MANNING: Okay, do you want me to stand by  
21 until I get it or am I good to go now?

22 THE COURT: Oh, you are good to go now.

23 SERGEANT MANNING: All right, perfect.

24 THE COURT: Thank you. All right. Bye.

25 SERGEANT MANNING: I will get that back to you as

2                   THE COURT: No problem.
